

Hebrew Word Study Homework Worksheet

- 1 Write the Hebrew Word you are studying _____
- 2 Strong's Number(s) for this word: _____
- 3 Write out the Scripture Reference where the sentence above first appears. _____

- 4 Read the verse, and also read the chapter the verse is in (for context).
- 5 Use a tool to break down the word (e.g., Blue Letter Bible, Biblehub, Linear, etc) to discover the letters that make up this word and the meanings of each letter. (Resources at <http://assemblyofyahuah.com/resources>.)
- 6 Write out the letters of the word below. Remember that Hebrew is written/read from right to left! For each letter, write them in Pictorial, Paleo, and Modern. Plus write meaning in the last row.

	Letter #4	Letter #3	Letter #2	Letter #1
Write the letter in PICTORIAL HEBREW				
Write the Letter in PALEO HEBREW				
Write the letter in MODERN HEBREW				
Write the MEANING OF EACH LETTER				

- 7 Pray for understanding of the word based on the letter meanings above and the scripture(s) where you have found this word. It's OK to take a break and come back. This study is best done little by little throughout the week instead of all in one sitting.

Meaning of the word based on the above definitions:
